Price List 2026-27

The background of the cover is a vibrant, stylized illustration. It features a central figure of a woman in a white lab coat and safety glasses, looking intently at a glowing molecular model she is holding. To her left, a man in a blue lab coat and glasses is shown in profile, also looking towards the center. The scene is filled with various scientific symbols: a round-bottom flask on a stand, a test tube, a beaker, and several molecular models with red and black spheres. The color palette is dominated by red, blue, and white, with a clean, modern aesthetic.
